STATEMENT:

I have been honored to serve as a judge for almost four years and I have found each year to be a rewarding experience. I am particularly interested in cases involving children and for that reason volunteered to serve as the judge for the Alaska Family CARE Court, a problem solving court for families. The Court's mission is to break the cycle of addiction, child abuse and neglect by providing intensive judicial support and case management as well as treatment for parents and their children that will help them lead healthy and productive lives.

I believe that the law is held in trust for all people, not just the rich and powerful, and that justice should be the primary focus of our court system. I believe that all persons should have access to our courts, not just those who can afford a lawyer. If retained I will continue to work hard toward these goals.
